## FAQs

**Q: When does the product expire and how long can I keep it on the shelf?**

A: See packaging for expiration date.

**Q: What is the best application method?**

A: Directly to your seed in the hopper box at time of planting and at the rates indicated on the product label.

**Q: What is the difference between the products in the Pantego line?**

A: Pantego BA contains a single soil rhizosphere dwelling strain.

Pantego Duo BA contains the same soil strain, plus an endophytic fungus.

Pantego Thrive BA contains the same soil strain, plus an endophytic bacteria.
