Primary Uses

- Silage
- Hay
- Occasional Grazing

Benefits

- **Diverse Grazing:** With a blend of 5 annual forages and 5 legumes, the mix provides a wide variety of nutritious plants, ensuring a diverse grazing experience for wildlife.
- **Enhanced Food Plot:** This mix is specifically designed to enhance food plots, attracting various game species, and promoting overall wildlife health.
- **Nutritious Forage:** The inclusion of Wheat, Oats, Rye, Triticale, Barley, Alfalfa, Clover, Vetch, Austrian Winter Peas, and Radishes ensures a rich source of nutrients for wildlife.
- **Attracts Wildlife:** The mix's appealing array of plant species and their flavorsome qualities attract a broad range of critters, making it a go-to choice for wildlife enthusiasts.
- **Easy Planting:** The 5x5 Wildlife Mix is designed for easy planting, making it suitable for both experienced land managers and beginners.
- **Wildlife Habitat:** By cultivating this mix, you contribute to creating a thriving habitat for various wildlife species, promoting biodiversity, and supporting the ecosystem.
- **Versatility:** The mix can be planted in Spring, Summer, or Fall and can tolerate different soil types, including sandy, loamy, or dry soils, providing flexibility in planting options.
- **Forage Production:** The combination of annual forages and legumes ensures a reliable forage production, helping to sustain wildlife populations throughout the seasons.

Why our 5x5 Wildlife Mix?

The 5x5 Wildlife Mix stands out as our best-selling cool-season cover crop, designed to provide an abundant grazing option for wildlife and enhance your food plot. Combining 5 annual forages and 5 legumes, this mix offers a diverse range of nutritious plants, including Wheat, Oats, Rye, Triticale, Barley, Alfalfa, Clover, Vetch, Austrian Winter Peas, and Radishes. This comprehensive blend earns your food plot "10 points" of coverage, attracting a wide variety of critters to your land. Whether you're looking to support wildlife or improve grazing opportunities, the 5x5 Wildlife Mix ensures an attractive and nourishing habitat for your desired game species.
